

# Technical Visit to WEEE · PARK

## WEEE Treatment and Recycling Facility

5 May 2018 (Saturday)

8:45 am – 11:15 am

WEEE · PARK, Tuen Mun

**25**  
seats  
ONLY

The WEEE Treatment and Recycling Facility - **WEEE · PARK** is the first of its kind in Hong Kong to collect, sort, detoxicate, dismantle and recycle television sets, washing machines, refrigerators, air conditioners, as well as computers and certain associated devices including printers, scanners, and monitors. The facility will transform up to 30,000 tonnes of regulated e-waste into valuable raw materials each year. The capacity can be increased up to 57,000 tonnes by arranging additional shifts for the operation of the facility on a demand basis.

### Green Features

- Natural lighting and ventilation
- Solar hot water system
- Rainwater harvesting system for irrigation purposes
- Green walls with hardy native climbing plants; 30% green coverage
- Fully enclosed operations which ensure that the external environment is not affected by waste management processes
