

Briefing Seminar on Initiatives to Promote Renewable Energy Development and Energy Efficiency & Conservation

Tuesday, 26 June 2018

7 : 00 pm - 8 : 00 pm

**1/F, Auditorium, Christian Family Service Centre Headquarters,
3 Tsui Ping Road, Kwun Tong, Kowloon (Exit D1, Kwun Tong MTR station)**

Two of these new initiatives include the **Feed-in Tariff (FIT) Scheme**, which is aimed at encouraging customers to connect renewable energy systems to the grid and sell the electricity generated back to CLP Power at favorable rates. **New CLP Eco Building Fund**, which is extended to cover residential, commercial, industrial and composite buildings. The funding will be increased to HK\$100 million each year to carry out the energy efficiency improvement works of the communal areas of the buildings.

The presentation will introduce CLP's new initiatives in supporting renewable energy development and energy efficiency & conservation at the briefing seminar.
