

# Cream of BEAM Plus

A seminar to share data on certification, equipping audience with the insight they need to **reach higher achievements**.

Since its launch in 2010, BEAM Plus has generated more than 600 assessed projects. This seminar is a continuation of the effort to disseminate the latest performance of Hong Kong's green buildings. The analysis period is now extended to Q1 2018, with a larger sample size and more Platinum and Gold projects, including those assessed with BEAM Plus Existing Buildings Version 2.0.

The HKGBC Secretariat will share with the audience:

- (a) Credit achievement rate analysis and trends
- (b) High-performance and low-performance areas
- (c) Innovations and performance enhancements
- (d) Exemplar case sharing
- (e) Contest summary analysis and key learnings
