

Technical Visit to The Mills

20
seats
ONLY

30 August 2018 (Thursday)

3:30 pm – 5:45 pm

The Mills, 45 Pak Tin Par Street, Tsuen Wan

The Mills is a landmark revitalization project in the industrial area of Tsuen Wan, comprising of a business incubator, experiential retail and non-profit cultural institution.

The project retains **70%** of the existing structure and internal finishes are reused and incorporated into the design for heritage preservation. A high-performance curtain wall is used for daylight enhancement and minimize air-conditioning. A mobile-based BMS system is adopted to support system real-time monitoring and optimisation. Urban farm, extensive landscape and solar collectors are placed on rooftops for community enjoyment and reduce carbon emission.

Important Note:

Participants shall take care of their own safety and observe safety instructions given by the relevant parties.
