

Hong Kong Surveying Profession in Greater Bay Area Opportunities and Challenges for Advancing Net Zero Project and Property in Technological Era

Themed "Hong Kong Surveying Profession in Greater Bay Area: Opportunities and Challenges for Advancing Net Zero Project and Property in Technological Era", the Awareness Seminar will deliberate the journey of advancing net zero emission, delve into the unique challenges of decarbonisation in the Greater Bay Area and drive an integral part of a wider systemic shift towards a more sustainable built environment. Towards total sector decarbonisation, surveying professionals shall advocate for a holistic approach to sustainability in an innovative way.
